### **Pastoral and Preface.**

Dearly Beloved in Jesus Christ:—

Our congregation has been richly blest of God in the past and is now enjoying an abundant measure of prosperity in things spiritual and material. Surely we are grateful and with our gratitude there should be upon the part of each of us an increasing loyalty to the Church we love and to the Master we serve. That this loyalty may be fostered, that a closer fellowship may be attained and a more effective service rendered and the cause of Christ advanced is the purpose of our Manuel.

A brief history of the congregation is herewith given. Every heart will rejoice as the evidence of God's blessing is manifested in the facts presented. The roll of members who now sustain some form of relationship to the Church will acquaint you with our people. This list will be of help to organizations that desire from time to time a list of our people to promote any particular work.

We believe that this Manual will supply a long felt need. We trust that it will be of a large and practical service. We may say that its aim is to discover as well as to announce facts.

Therefore if there are any omissions or inaccuracies kindly notify the Pastor that proper correction may be made upon the official records of the congregation.

Our prayer is that God shall not only bless this Manual and Directory in its thought and purpose but all other agencies that we seek to use for the advancement of the Kingdom of His dear Son.

Sincerely Yours in the Master's Service,  
REV. M. ARTHUR SPOTTS, A. M.

### A Brief History of St. Mark's Church.

This historical sketch must of necessity be very limited in its form, as it is the desire of the author not only to survey the past, but to present such material in our Manual that will be valued assistance in the attainment of a greater Church, and the building of a strong Christian character.

In the year 1898 fifty eight members withdrew from Christ English Evangelical Lutheran Church, believing it to be for the best interests of the kingdom of Christ, and accordingly convened in the home of Mr. Peter Fuhrmann, and on the evening of September 9th, 1898, organized themselves into a Congregation, forty-five becoming charter members of the new Church, which adopted the name of St. Mark's English Evangelical Lutheran Church, and officers were elected.

Wagners Hall was rented on Hudson and Mott Streets, in which the Sunday School and Church services were held for twenty months until the erection and completion of the present Church.

The lot, purchased from Mr. George Fitzgeorge, April 1899, upon which the Church is built, cost \$2300.00, the Church building \$10,000 and the equipment \$1650.00.

On the 20th of December, 1898, Rev. J. Morgan Cross, the first Pastor was called, who labored successfully until Nov. 2, 1902. From the inception steps were begun looking to the erection of a suitable edifice. Work was begun on the building in August, 1899, and the Corner-stone was laid with appropriate services October 1st, and the dedication services were held May 27th of the following year.

Under the efficient faithful leadership of Rev. Cross, the Church grew numerically and spiritually and a strong membership built up.

Rev. I. Walton Bobst was then called and accepted taking charge of the work, February 1, 1903, and labored until Sept. 1, 1914, eleven years and seven months with splendid results, carrying the work on to greater efficiency, and increasing the membership of the congregation. During his Pastorate, the lot adjoining the Church was purchased for \$1500.00 and the house occupied by the Janitor for \$1900.00.

Rev. M. Arthur Spotts having been called to the Pastorate, assumed his duties Dec. 1, 1914, pressing zealously on the work so well begun by faithful and fearless leaders for God's cause, who commanded and deserved the respect and support of the entire community and city.

We have dealt largely with the material and financial progress of the Congregation. But there has been a life, a growth, an influence that cannot be stated in figures or measured in statistics. Beside this new equipment has been added during the present Pastorate, consisting of a new Pipe Organ, costing \$2000.00, and new electric lights within and without the Church, costing \$100.00, all of which has been paid for, giving the Church a complete equipment of \$19,450.

With a loyal united Congregation, with the consciousness of great and wonderful blessings as our heritage, we look forward in the Great of the Church, believing that greater blessings and more glorious triumphs are to be ours, as we look forward to the future welfare and prosperity of the Kingdom of Christ in this part of His vineyard.

**Thoughts for Meditation.**

The real church member is one who attends. Get, go, give, are the three words that indicate the Christian's duty. Christ calls us to get right with God, to go to the whole world, and give the gospel to every creature. The lift you give the neighbor who is having a hard time of it makes you stronger to bear your own load. We are only rich through what we give, and poor only through what we refuse. Tennyson said, "My most passionate desire is to have a clearer and fuller vision of God."

---

**What You Can do for Your Church.**

Attend its services. Take some part in its services. Be reverent in the house of God. Pray and work for its success. Invite strangers to attend its services. Greet the strangers cordially, invite them to come again and introduce them to the Pastor.

Do not give it second place in your thoughts. Give to its support liberally as God has dealt with you. Always speak encouragingly of its service and its work. Always have a kind word for the Church, the Pastor and the Members, and if you can't find anything good to say, don't say anything mean. Encourage the workers by a kindly word of appreciation. Bring the children to Sunday School, instead of sending them. Pray to God for thyself, for those who minister and those who worship here.

### Some Good Resolutions.

- (1) I will aim to speak words of cheer and comfort and hope and inspiration to those I meet in the every-day life.
- (2) I will make it the rule of my life to find time for prayer and daily reading of the Bible.
- (3) Desiring to be an intelligent Christian I will this year make a special study of Christian work in some one missionary country.
- (4) I will attend the prayer meeting as often as I am able.

### The Bar.

A poet has said of the saloon that it is appropriately called a bar:

A bar to heaven, a door to hell,  
Whoever named it, named it well.  
A bar to manliness and wealth,  
A door to want and broken health.  
A bar to honor, pride and fame;  
A door to sin and grief and shame;  
A bar to hope, a bar to prayer,  
A door to darkness and despair  
A bar to honored, useful life,  
A door to brawling, senseless strife  
A bar to all that's true and brave,  
A door to every drunkard's grave,  
A bar to joy that home imparts,  
A door to tears and aching hearts;  
A bar to heaven, a door to hell  
Whoever named it named it well.—Ex.

### How to Study the Bible

By Rev. M. Arthur Spotts.

The first thing is to make up your mind that you will put some time **every day** into the study of the Word of God. It is one of the most fruitful resolutions that any Christian ever made. Many a life that has been barren and unsatisfactory has become rich and useful through the introduction into it of regular, persevering, daily study of the Bible.

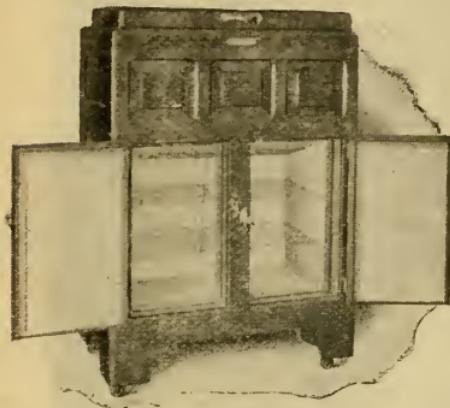

This study may not be very interesting at first, the results may not be very encouraging; but if one will keep constantly at it, there will be developed a beautiful character and the whole life will be enriched. Nothing should be allowed to interfere with your daily study of the Bible, sickness only, being excusable.

It is impossible to make a rule that will apply to every one as to the amount of time that shall be given each day to the study of the Word. Some people can give an hour a day, but even if not more than fifteen minutes can be given, a great deal can be accomplished.

The best time to study or read for your devotion is in the early morning hours. Try a few verses to start with and ask the Lord to help you with the duties of the day before you, and you will be able to say, like many have said to me, it was really wonderful how well the work went on. And yet it is only according to promise, but how slow we are to comply with the Lord's commands and to claim His promises.—Mal. 3:10.

In the second place, don't be satisfied with merely reading the Bible, but make **a study** of it, by verses, chapters and Books.

To find the beauty of the Bible demands that you re-read many passages, thoughtfully and prayerfully.

The first thing to ask concerning a verse is, what does this verse mean? Then ask, what does it mean for me? And, is that all it means? Look up any important words in the verse and follow out the other references given in connection with the verse. Any Bible will do for the study, but if you can get or have a Chain Reference or Scoffilled Bible, they will be a great help in clearing many difficult passages for you.

God pronounces that man blessed who "meditates," on the Word of God "day and night."—Ps. 1:2.

In the third place, you will find it interesting to study the Bible topically. We are interested to know what other people have to say on subjects, why not then, try to find out what God has to say. The best way to know this is to go through the Bible and follow a certain subject. The topical method of Bible study is the simplest, most fascinating and yields the largest immediate results.

Mr. Moody favored this method. It fills one's mind full on any subject studied. For instance, you wish to make a study of the word, "Love," "Prayer," "Grace," "Atonement," "Sin," "Justification," "The New Birth," "Repentance," "Adoption" and "Assurance."

Then you select that word in your Concordance, found in the back of your Bible, turn to the word suggested or the one you wish to study and follow out the Bible reference under each one.

Then in the fourth place, you should use pen and paper in your Bible study. Underscore the verses you study and anything helpful that comes to you. Write it in your note book.

In the fifth place, **Study the Bible by Chapters.** If you have time for only a few verses, then continue to read until you have completed the chapter. Skipping around all over the Bible is like a man beeing the air.

Then select certain chapters you wish to study and it is well to take a whole book and study the chapters in their order. The Acts of the Apostles or the Gospel of John is a good book to begin with. In time one may take up every chapter in the Bible, but it would not be wise to begin with Genesis. Read the chapter through five times, reading it aloud at least once. As you re-read it, many new points will be brought out. Follow this by dividing the chapter into its natural divisions and find headings for them that describe in the most striking way their contents.

In the Sixth place. **Study the Bible as the Word of God.**

It is an entirely unique book, and as such should lead us to a greater earnestness and more careful and candid study to find out just what it teaches other than any other book.

We should be willing to submit to its teachings when definitely ascertained, even when these teachings appear to us unreasonable or impossible. Remember it is, "**The Word of God**" and man cannot put his finite self against the wisdom and greatness of God.

There should be absolute reliance upon all its promises in all their length and breadth and depth

and height. Look each day for some new promise from your infinite Father. Give obedience to every command that it is evident from the context applies to you. Remember it is God's voice speaking to you and every hour spent in Bible study will be an hour's walk and talk with God.

Study the Bible in the Seventh place **Prayerfully**. The author of the book is willing to act as an interpreter of it. Bow your head and pray the prayer of the Psalmist, "Open mine eyes that I may behold wonderous things out of Thy law."

Each time you open the Bible to study it for a few minutes or many, ask God to give you the open and discerning eye, and expect him to do it. Look for "the things concerning Christ" in all scriptures. Improve your spare moments in Bible study.

Carry a small Bible in your pocket or a testament wherever you go. Ladies should have a small testament in their hand bags. It is a good companion, and while waiting for meals, or trains or a trolley or riding on the cars, improve your time by reading God's word. Store away the Scripture in your mind and heart, for it will keep you from sin, from false doctrine and will fill your heart with joy and peace, will give you victory in your own life and enables you to lead others to the foot of the Cross.

You can't go to heavevn by sending your children to Sunday School.

Unless our walk corresponds with our talk, the less we say the better.

No one is going to be celebrated for his piety whose religion is all in his head.

The love that is dumb until it speaks on a tombstone does not say very much.

The soul that is to live forever should not be fed on things that perish.

The way can never be dark for a Christian so long as he remembers that God is good.

God has no use for those of us who have no business of our own to which to give attention.

God's law is that unless we will do good with our money, we cannot get any real enjoyment out of it.

**WHAT CAN YOU DO?**

Lord Tennyson could take a penny piece of paper, write a poem on it, and make it worth sixty-five thousand dollars. That's genius.

Rockefeller can write a few lines on a sheet of paper and make it worth ten million dollars. That's capital.

Uncle Sam can take an ounce and a quarter of gold and stamp upon it an eagle and make it worth twenty dollars. That's sovereignty.

A mechanic can take a piece of material worth five dollars and make it into watch springs worth one thousand dollars. That's skill.

A merchant can take an article worth seventy-five cents and sell it for a dollar. That's business.

A lady can purchase a hat for a dollar and five cents but she prefers one for thirty dollars. That's extravagance.

A coke-drawer can pull several tons of coke in a day and earn several dollars. That's labor.

You can write a check for ten millions of dollars that would not be worth a dime. That's foolishness.

You can take that vile heart of yours and have it made into the dwelling place of the Most High God. That's the grace of God!—Selected.

### ANSWER FOR YOURSELF

By C. A. Woods, D. D.

“What kind of a Church would our Church be,  
If every member were just like me?”

---

These lines rhyme well, surely. They jingle like bells. Repeat them; sing them; whistle them. Every one “just like me.” Such a church ought to please the Master? What kind of a prayer meeting would we have? Every member “just like me.” How about the Sunday School? And the church treasurer? How much money would we have? “Just like me.” What would the unconverted say of such a church? How soon would God’s will be done on earth as it is in Heaven?

Let us say it, and sing it again, and each answer for himself:

## And Pharaoh said, "TOMORROW"

When the Children of Israel waited on Pharaoh and asked for the fulfillment of the promise of deliverance from bondage, he said To-morrow."

And he kept on saying "To-morrow" and "Next Week," until the Israelites took matters into their own hands and fled. Then followed the Red Sea incident, and all Egypt was left mourning.

The "To-morrow" habit—the practice of procrastinating, of "putting off" a decision you know it is your duty to reach, is fatal to success. Down in your heart you know that our finished course of training in Shorthand and Typewriting or Bookkeeping—or both—would add mightily to your efficiency, would gain for you a genuinely good position in the business world and would push you forward on the path to promotion. And, if you are not already sure of it, a little investigation of the honest facts will convince you that your duty to yourself is to obtain that training.

### PREPARE FOR A GOOD BUSINESS POSITION

If you haven't one of our catalogs, write or call for a copy today. This school offers you a training based on 50 years of success in helping to make young men and young women useful members of society. A finished course here guarantees you a good position with attractive income. Enroll for a day or night session. No summer vacation. School open all year. Begin your course any day.

We have started successward many of the young people of your congregation—your friends and neighbors—and can do as much for you.
